THORP
HIGH
SCHOOL

Thorp, Washington

Dedication

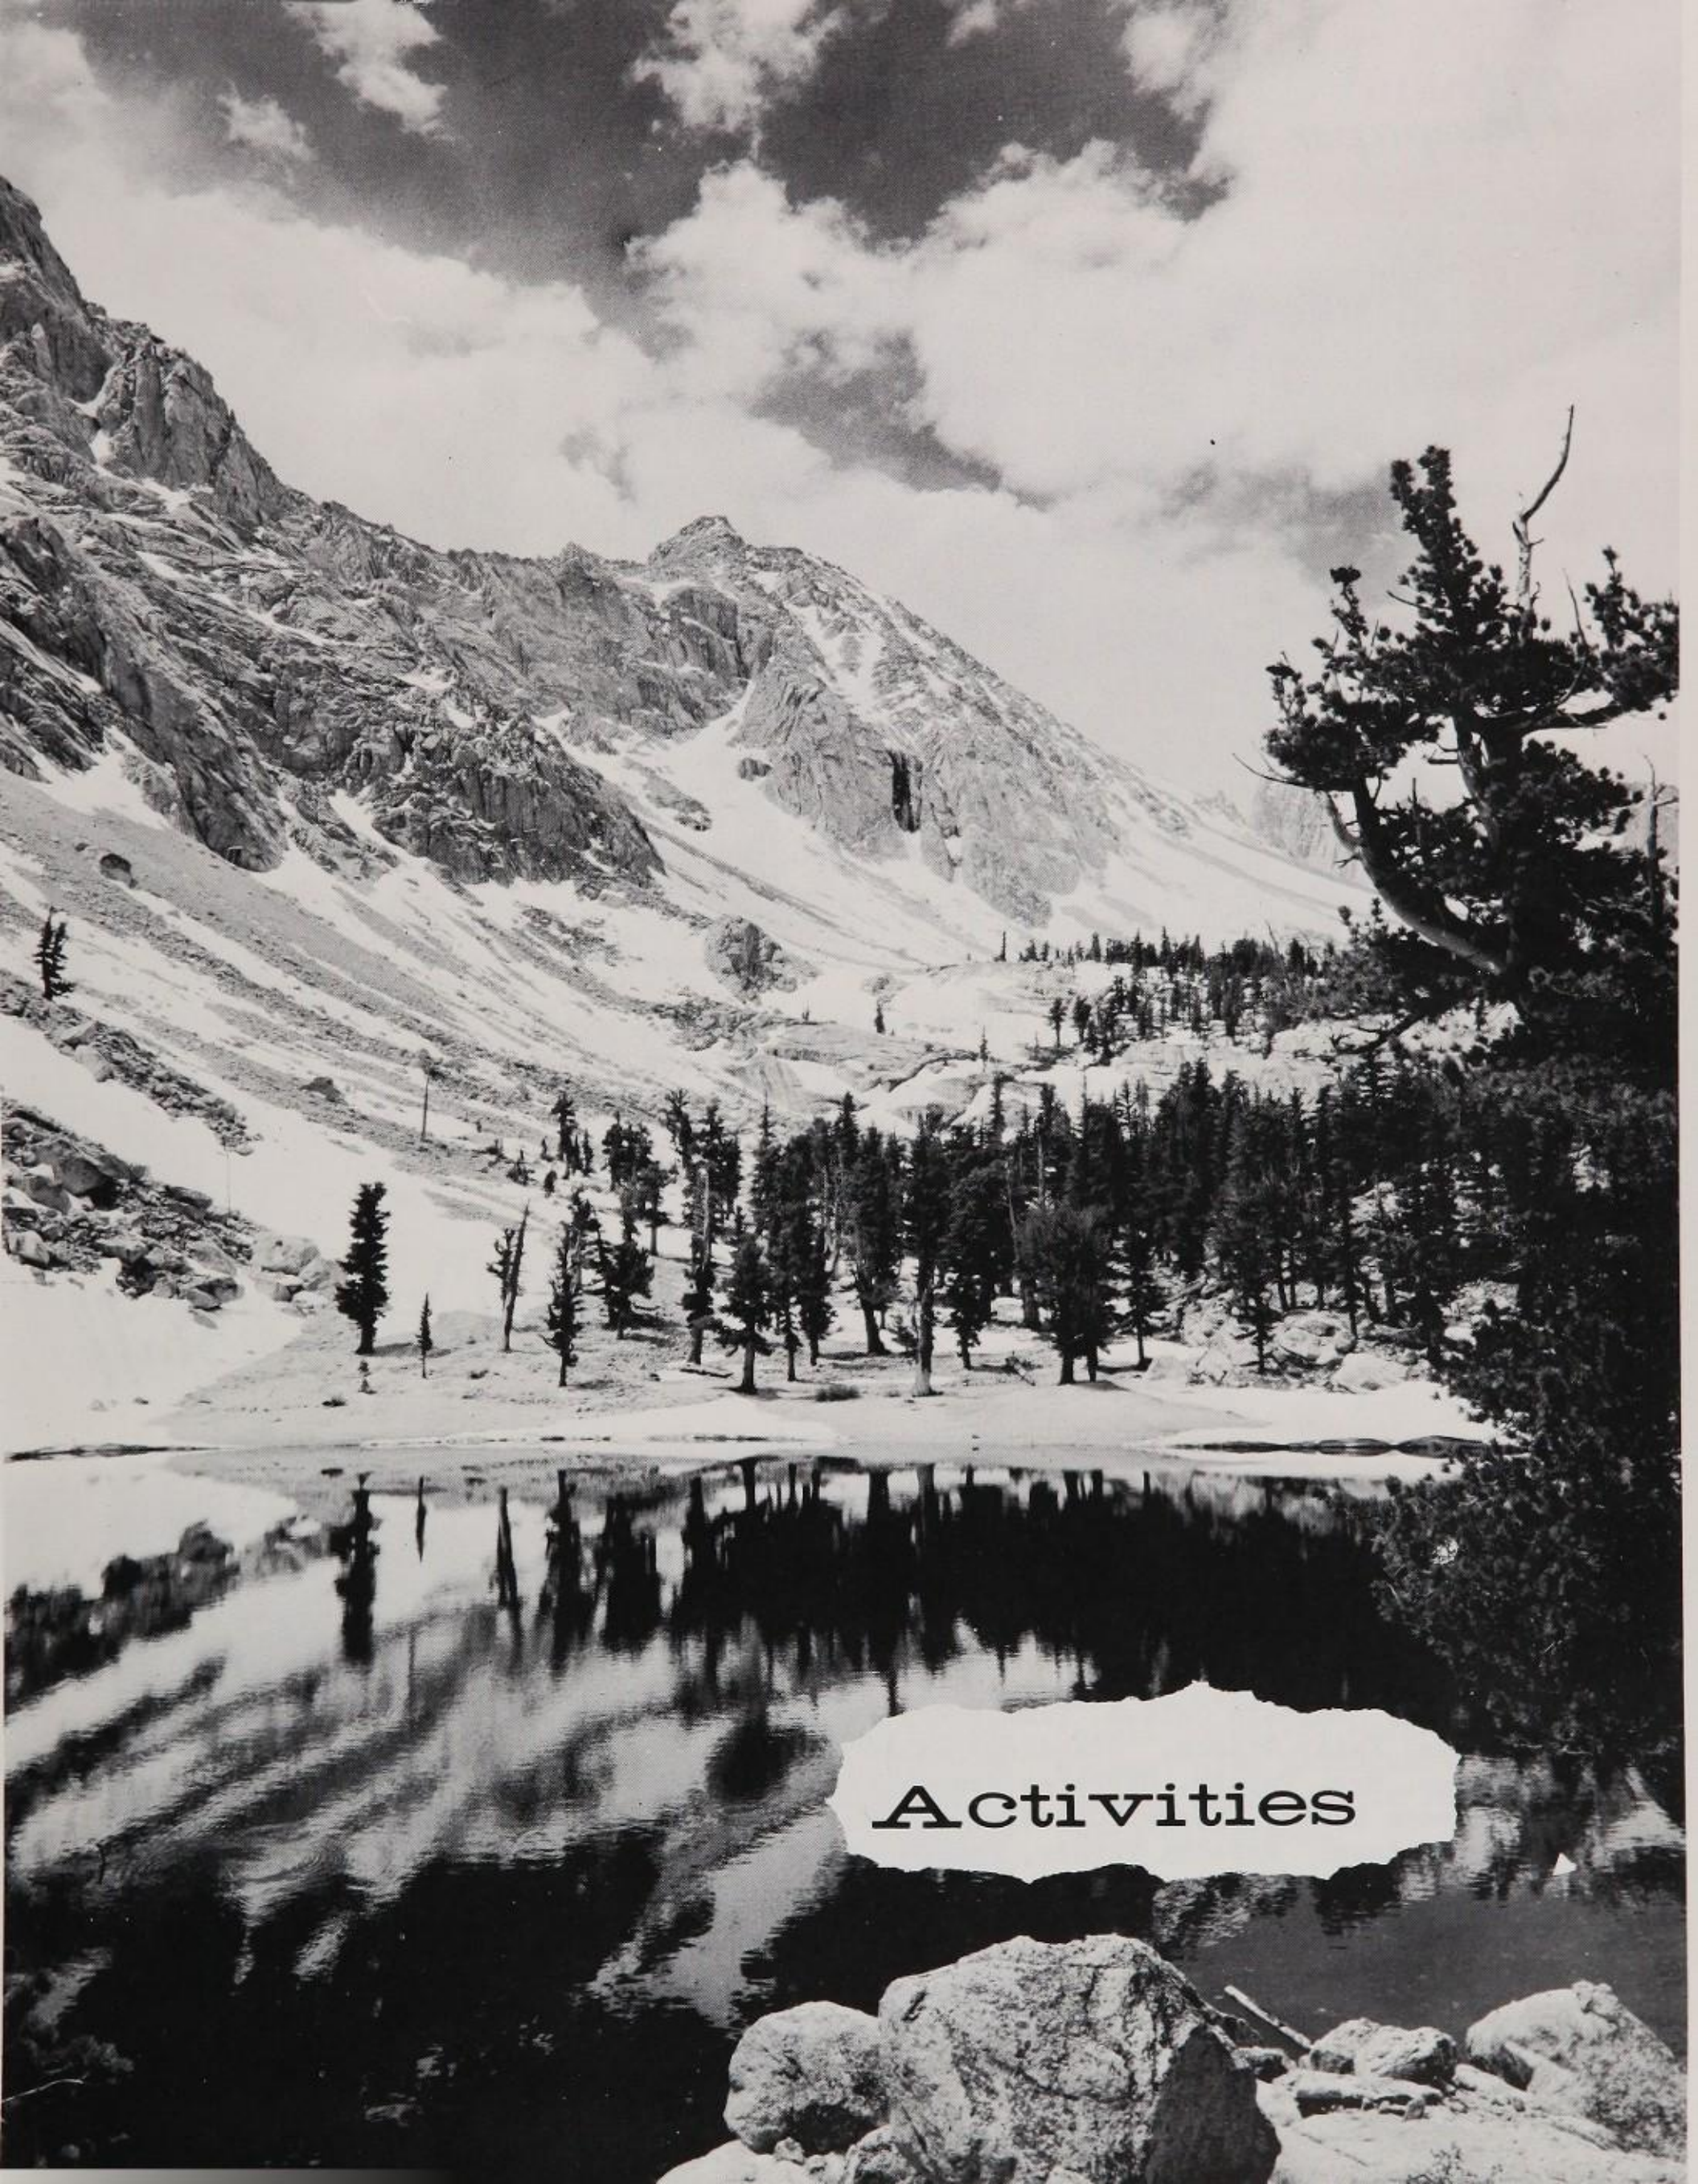

We, the Annual Staff of 1973-74, of Thorp High School, want to dedicate this issue of our Hialitza to the three departing faculty members. They are Mrs. Bonnie Thompson, Mrs. Wanda Robinson, and Mrs. Barbara Turner. We would like to say thanks and good luck in the future.

Mrs. Thompson has taught in the Thorp School District for nine years. She was the librarian in the grade school and taught the remedial reading classes. She also filled in many other capacities whenever needed.

Mrs. Robinson taught at Thorp High for the past two years. She was the Business Ed teacher. She advised the Bumblebee and FBLA groups. Mrs. Robinson spent a lot of extra time making these groups the successes they were.

Mrs. Turner just completed two years with us but has taught here at two earlier times. At one time or another she has taught every grade 1-12 at Thorp. Through her encouragement her Art students gained county recognition and 10 of 12 awards in the "Keep Washington Green" contest in 1973. Her Art students displayed at the Yakima Valley Mall during the 1973 Christmas Season.

We would like to thank these three for their encouragement and enthusiasm and many extra hours spent on our behalf. Good luck in your futures!

Ski Scenes

This year the Kittitas football team was privileged to have two Thorp boys on its 1973-1974 football team. The team tied for the league championship and Rick Leavitt and Dennis Morse played a major part in making the season a success. Dennis was the second leading ground gainer on the team gaining 587 yards in 8 games. He also led the league in both punt return and kickoff return yardage as well as being one of the leading tacklers on defense. Rick was a regular at defensive halfback and flanker on offense; but halfway through the season he was forced into action as starting quarterback after the injury to regular Scott Shelton. He led the team to two stunning victories against two league powers Riverview and Ki-Be.

Both of these young men will sincerely be missed by next year's Kittitas Coyotes' football team.
